

Kaalinta Volunteers-ka

volunteers-ku waxay qayb wayn ka qaataan socodsiinta adeegyadayada todobaad kasta. Waxaanu haynaa kaalimo badan oo ay vulanteers-ku buuxinkaraan sida;

- Barista ama caawinta barashada English-ka
- Caawimada barashada akhriska
- Caawimada Kijinka ama jikada

Waxaanu dadka waydiinaa inay ugu yaraan 6 bilood volunteer noo noqdaan xilli dugsiyeedka. Waxaanu bixinaa hordhac, kullamo kooxeed joogto ah, fursado tababaro dheeraada iyo reference 3 bilood kadib.

“Waa meel wanaagsan oo volunteer laga noqdo. Fursado badan oo aad wax cusub ku tijaabinkarto, xirfado cusub ku barankarto, oo kuu kordhinaya fahanka dadka kale iyo ku kalsoonaanta naftaada”
